**HAVEN**  
2020 ANNUAL REPORT

BOARD QUOTE

*“Serving on HAVEN’s board and as a volunteer has been one of the most fulfilling experiences for me. I originally became involved as part of my job because my company supported the cause. What began as a professional responsibility grew into a personal passion. HAVEN’s mission should speak to everyone — regardless of one’s race, ethnicity, gender, sexuality or socioeconomic background — because the ability to be in a safe, loving relationship should not be viewed as a privilege but rather as a right.”*  
~ Michelle Gilbert

Hello,

My two years as Board Chair has shown me why HAVEN has been in existence since 1975. This organization is filled with individuals that are dedicated to the mission and vision – saving lives. Three months into my role as chair, the entire world faced a global pandemic. HAVEN’s services were needed more than ever.

I am pleased to say that the HAVEN team never faltered. The vital life-saving services pivoted but never paused. The crisis hotline was met with more calls for safety and guidance and the counseling team transitioned to telehealth beautifully. Sheltering become more strategic, but families and pets could still find a safe HAVEN to rest.

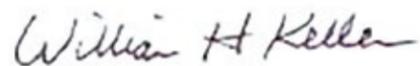

We were all unsure of what would transpire, but we were sure of one thing. We were all in it together; we are one united team. There were many conversations about the future which was very optimistic. The team was looking forward to the future with survivors in mind. Services changed somewhat, but they never stopped. The team never stopped.

You, The HAVEN community of volunteers and supporters still found ways to engage and share your time and talent to help the team to continue to provide the necessary services survivors need. For example, the 2020 Gift Give Away event served over 600 individuals by more than 150 volunteers over the three day period.

Speaking for the entire board of directors, we could not be more pleased by your success and achievements for HAVEN and the survivors it serves. We are excited about the future opportunities to serve and to work with this team to fulfill the mission and vision of HAVEN. I look forward to HAVEN emerging out of these times stronger than ever.

Thank you all for supporting HAVEN, the survivors and their families, and the community we are here to serve.

Sincerely,

---

William Keller | Board Chair

BOARD QUOTE

---

*“I always have an amazing time volunteering at fundraising events for HAVEN. It is a truly humbling and rewarding experience to know that my efforts will advance HAVEN’s mission to empower domestic violence and sexual assault victims through advocacy and social change. I encourage you to join me in this very important effort!”*

Dear HAVEN supporters and friends,

Anniversaries can be a time for reflection, for celebration, and for integrating what we learned in our past with how we move forward into our future. HAVEN’s 45th year exemplified the importance of the relationships we have cultivated and the community we have built, while underscoring the continuing need for our work into the future.

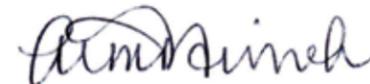

Looking back over the past 45 years, HAVEN’s history has been filled with strong, passionate leaders, allies, and advocates who have been ready at the forefront to fight for survivors, for families, and for our community. We were built on the belief that all of us, working together, could conquer any obstacles that stood in the way of survivors achieving safety and independence. The belief that all of us have a stake in our mission to empower survivors and inspire our community.

And so, when the pandemic changed our world, we certainly were not prepared- but we were ready. We pivoted and then pivoted again to make sure that our services were never interrupted and remained accessible to those who needed them most. Our staff bravely came back day after day to offer shelter and resources. Those who worked virtually creatively found ways to keep survivors engaged and aware that we were still here for them. We forged new relationships and leaned into our existing ones to ensure that no one was forgotten or left behind amidst the fear and uncertainty.

I am so grateful that you not only answered our calls for support, you reached out with new ideas, resources, and connections. The truth is that none of this would have been possible without you, without our team, and without our 45 years of fighting, of cultivating, and of daring to believe that we all have the right to live without fear.

Thank you for standing by survivors and for standing with us.

With gratitude,

---

Aimee Nimeh | President & CEO

# HAVEN PROGRAMS

WE'RE MORE THAN A SHELTER

## Counseling Program

The HAVEN Counseling program serves adults and children who have been impacted by intimate partner violence and sexual assault. Specialized groups and individual counseling provides support, guidance, insight and information into the complicated dynamics of abuse, violence and assault. Therapeutic support is based on a trauma informed empowerment based model. Each HAVEN therapist is a Master's level counselor or social worker and holds a license in the state of Michigan. The quality of our counseling services is best in class.

## Crisis and Support Line

The HAVEN Crisis and Support Line never closes, serving callers 24 hours per day, 365 days per year. The support line provides crisis intervention, understanding and support, safety planning, referrals and information to those affected by intimate partner violence and sexual assault. Fully trained specialists field both phone calls and online chat requests.

## Prevention Education

Our skilled, experienced educators train audiences of all ages. They work with students, pre-school aged through college, their teachers and their parents to equip them with the tools to build healthy relationships based on mutual respect and the meaning of consent. HAVEN educators provide professional training to law enforcement and healthcare providers on recognizing and responding to intimate partner violence and sexual assault. They also provide training to the public on the dynamics of intimate partner violence and sexual assault and the root causes of violence against women.

## Residential Program

HAVEN's Residential Shelter program is Oakland County's only 24-hour emergency shelter exclusively for intimate partner violence and sexual assault survivors and their children. HAVEN's residential clients not only experience a safe living environment where they are able to regain control of their lives, they have access to all HAVEN programs. Our residential youth program offers a safe and nurturing environment for children to express themselves through structured arts, crafts and play.

## Resource and Community Partnership Program

HAVEN's Resource and Community Partnership program is a one-stop resource for survivors to realize their path to stability. The program provides survivors with resources for medical, financial, and legal services.

Survivors can work with "resource room" staff to find housing and employment. HAVEN staff, volunteers, corporate partners and other non-profits pull together to assist survivors in reaching personal goals. Monthly workshops and one-on-one assistance are available.

## Social Action

HAVEN's First Response/Court Advocates are available around the clock, 365 days a year for survivors. They provide immediate crisis intervention and emotional support for victims and their family members at Oakland County hospitals and police stations following an assault. They are trained to work side-by-side with survivors as they move through the complex legal system providing support and education. HAVEN's personal protection order (PPO) office is also staffed by Court Advocates. They guide survivors on creating personal safety plans including the filing of a PPO when necessary.

## START - Safe Therapeutic Assault Response Team

Licensed forensic nurse examiners provide comprehensive medical forensic exams and compassionate emotional care for survivors of sexual assault. Examiners are especially trained in evidence collection and court testimony. Beginning in fiscal year 2017, START was certified to conduct pediatric exams for victims of sexual assault under the age of 11.

## Volunteers and Interns

HAVEN has a robust volunteer and intern program. Volunteer opportunities range from one-time group projects to long-term volunteer assignments working alongside our staff. We think of our volunteers as the cornerstone of our programs. HAVEN interns are college students earning credits and gaining real-life experience in their field of interest. It's not unusual for a HAVEN intern to be hired upon graduation.

## CLIENT QUOTE

*"I attended counseling for several years and my life was phenomenally better because of my therapist at HAVEN. I left my abusive spouse, raised my daughter by myself and stood up to my mother who tried to encourage me to stay with my abusive spouse. I have a good husband and my daughter was able to complete college graduate school, medical school and is now a resident pediatrician! I am a much happier person."*

*"I can't express all the joy, fun and fulfillment working as a volunteer for the Residential Childcare Programs has given me. I have loved every minute of it! It is especially gratifying to have a child who may come in with a scowl on his/her face, unable to trust anyone and not wanting to participate in anything and end up with a kid who is actually glad to be playing with me and has let me in, even for a little while. I love it and that is my paycheck! They deserve to play on the new playground created just for them and to have some much-needed attention. HAVEN is a blessing for everyone!"*

BOARD QUOTE

*"Congratulations on 45 years of very needed services in Oakland County. Thanks to the staff and volunteers, HAVEN has been a blessing to so many people and continues to be a wonderful resource for families in need. I had the privilege of serving on the Board of Directors when HAVEN moved from the YWCA to the former convent on Whittemore Street in Pontiac, and later served as Board President and volunteer while Debi Cain and Joyce Wright were there. My church (Pontiac Southside SDA) currently supports the program by periodically providing needed supplies for the residents. I am so happy for the team that continues to address the crisis of violent encounters, and will keep everyone in prayer."*

## Detroit Lions Partnership

Detroit Lions are proud partners with HAVEN in the eradication of intimate partner violence and sexual assault in our community. Since this partnership began in 1994, it has grown over the years to expand outreach and player support of the Redefine program. The Redefine program engages high school/college boys and young men through discussions, films, and activities, students learn about modeling and mentoring a healthier vision of masculinity, bystander intervention, healthy relationships, and creating social change. The Detroit Lions players have been positive advocates of the program, participate in the final session and then join students in celebrating their graduation from this life changing program.

The Detroit Lions were the recipients of the Oakland County Coordinating Council Against Domestic Violence Prevention Award. HAVEN celebrates this longstanding partnership that expanded to include staff and team trainings.

*"When I reflect back on my career, my time at HAVEN is a highlight, having served as President and CEO from 2003 - 2016. I was blessed to have worked with dedicated board members and the most incredible staff, people who were so passionate about making a difference for survivors and committed to preventing intimate partner violence. I look back to those years with fondness and will forever hold a part of HAVEN in my heart."*

## BOARD QUOTE

*"It is very hard for me to narrow my memories of HAVEN into one cohesive thought because there are so many wonderful times with so many excellent people in the almost 20 years I have been involved with HAVEN as a volunteer, Board Member, Board Chair and volunteer again. I am a survivor of domestic violence who was lucky enough to have the resources to get out of my situation so my heart aches for those who are not quite as lucky. The knowledge, skill level, patience and expertise of HAVEN staff is nothing short of amazing. It has been a honor and privilege to be affiliated with such fine people and I look forward to the day we are all working toward where domestic violence and sexual assault are a thing of the past.*

*While celebrating this milestone, it is my fondest desire another 45 years will not be necessary!"*
